

Bowlers and Captains,

Many of you have been waiting patiently to find out this year's Bowl-A-Thon theme. Our [hint last week had](#) to do with how hard it is to measure exactly how much we appreciate you, and that it's at least "to the moon and back". So, we're going to spend the entire next 6 weeks leading up to the Bowl-A-Thon appreciating you, your donors, our sponsors, partnering organizations, clinics, volunteers, advocates, staff, and all the people who have made 50 years of service and 25 years of the Bowl-A-Thon possible.

It'll be a festival honoring what our justice looks like, our visions of a world free of reproductive oppression, and how we celebrate ourselves and each other as amazing people who support access to abortion care and Reproductive Justice. Bowlers and captains, we welcome you to...

At *Our Justival* you bring your history, your dreams, your lived experience, your ideas, your stories, your truths, and the way that you celebrate. You bring these

things to honor Reproductive Justice/Rights/Health, abortion access, and all the bowlers, captains, donors, and sponsors that participate in the Bowl-A-Thon and make Our Justice's work possible. Let your costumes and team names show your team's visions of justice and how you celebrate that. When you ask your communities to support your fundraising efforts, tell them about what your dreams of Reproductive Freedom look like and why making those dreams real is so important.

At ***Our Justival*** we celebrate and we vision so that we know where we want get to. We build and draw power from that space so we can take action now to defend our communities against the seemingly constant barrage of reproductive oppression.

For the opening fundraising contest of ***Our Justival*** we're going grassroots to encourage you to share the power and excitement of this celebration with as many people as possible. Every bowler who receives 5 or more donations of at least \$10 by 12:01am, 2/23 will be entered to win an excellent prize package from [Bitch Media](#). In this package you'll find a 1 year subscription to Bitch magazine, 3 pencils, 3 stickers, 1 pin, 1 tote bag, and the past 2 editions of Bitch Magazine. Want help getting your fundraising rolling? [Check out the great cut & paste options for email, Facebook, and private messaging.](#)

Once again, we welcome you to ***Our Justival***, a beautiful combination of bowling, dreams of Reproductive Freedom, and celebrating each other as an amazing community that supports Reproductive Justice and abortion access.
